Digit Insurance realises **4.2x ROI** on **Employee Engagement** with AI-powered **Amber**!

⚠️ Capturing **the true sentiment** of the entire workforce **real time.**

💡 **Amber engaged with 2500+ employees to help with complete sentiment breakdown and shared insightful reports with leadership.**

⚠️ Connecting 1:1 with over 2700 employees in 27 departments was laborious.

💡 **Amber's automation with schedule 1:1 feature helped HRBPs establish better connects with employees, leading to higher employee retention.**

⚠️ Unable to identify disengaged and unhappy employees.

💡 **Amber helped identify disengaged employees and saved almost 75% of at risk employees. Amber also help share anonymous feedback about sensitive matters.**

inFeedo

> *An AI assistant that helps keep our two values of 'Transparency and Question the Status Quo' alive. We believe that genius lies in simplifying and Amber has helped in making our interactions with employees more transparent, engaging, feedback driven, richer and of course, simpler.*

- Amrit Jaidka Arora,
Chief human resources officer

Amber can transform Employee Experience for your enterprise too.
